To Whom It May Concern:

We have worked with Rob Hamilton, The Concrete Philosopher, for over 4 years. He consistently completes all his projects with a high degree of workmanship and professionalism. My Company, Protocol Environmental Solutions, has hired him numerous times and he and his crew constantly meet our expectations.

Rob is very honest and hard working and can always be relied on to show up on time and complete projects in a timely manner. I have found Rob to be very knowledgeable in the areas of concrete maintenance and repair.

Protocol will continue to work with Rob Hamilton in the future. I can be contacted directly with any further questions.

Sincerely,

Floyd Wandler
