Letter of Reference

Dear Rob:

Rob, I want to thank you for providing successful solutions to repairing leaky concrete foundations. Your knowledge has been very informative and the solutions recommended have solved the problems.

Your service response time has been excellent, for which we are very thankful.

Undesirable circumstances such as water infiltration are circumstance we don't like hearing of. Therefore we are very pleased when Service People like your Company respond quickly to correct the undesirable activity.

It becomes very easy to recommend the Concrete Philosopher to others.

Thanks for your service.

Yours truly,
MIERAU CONTRACTORS LTD.
